This tough young thrush takes a positive stance and will certainly give those winter thrushes arriving from Scandinavia a run for their money. Every winter thrushes arrive from Scandinavia and complete with native species for berries. The racket they make as they raid trees and shrubs is considerable. The photo taken by Fay-nights and comes with A Fay-nights Serial No: Signed by author. Size 8ins x 12ins already to frame. Please don't hesitate to contact me for any other information and many thanks for just viewing some of my work. Kind regards, Miggy J. Author of Fay-nights (About me: www.fay-nights.co)
