norco storm 9.1 electric bike 1000watts 48volts (650 GBP)

Location North, Merseyside https://www.freeadsz.co.uk/x-199704-z

Norco Storm 9.1 2014 - 1000W-48V-13ah Li-on Battery electric mountain bike. big frame 29" Wheels

This eBike is being sold with converted 1000watts 48volts POWER machine.

The rear tyre inner tube has been treated with Slime Tube Sealant to prevent unwanted punctures duo twin tyres rear golden motors wheel and hub

This bike has the speed of a moped without all the running costs. These eBikes are a conversation piece everywhere you go on them.

It is a great looking and fun bike. It will sit at 27 to 33 mph depending on the wind on the flat.

The battery has about 20 to 40 miles range depending on how much power you use. It's like riding a bike downhill all the time even when going uphill

full charge from empty time is 6 hrs and cost around 10 pence also has loud horn and cruise control braking regeneration charging the battery while braking such a pleasure to ride at speed
