Ford Escort 1.4 in great condition for age. Only selling due to being given a new car. Runs great, only 2 previous owner's, I have owned for 4 years, in the last 2 years it has had a new clutch, breaks, radiator, thermostat, exhaust and has just had a new lower ball joint to pass the MOT. Body work in really good condition, electric windows, sunroof and central locking. Has done 122000 miles but still plenty of life left in her! Bad points, someone has stolen the front 2 indicators covers/lenses (purely cosmetic and cheap to be replaced, I just haven't had the time!) Parcel shelf doesn't sit right. Inside mirror has fallen off, needs some glass glue to fix. (Have fixed this 5/11/15) Passenger seat does not lift forward. Will be sad to see her go! Viewings recommend as bidding to buy, not to have a look. questions welcome, offers:)
