

Medical School Mock Interview - providing the best preparation before your big day (4

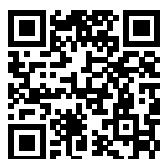

Location **London, London**
<https://www.freeadsz.co.uk/x-199889-z>

Have you got an upcoming interview to study medicine at university? I am a private tutor (and King's College London medical student) offering a one-to-one mock interview session to help prepare you for your big day. The one hour session will include a 20-30 minute interview followed by feedback and improvement tips. Please contact me for further.
