

Autosleeper Pollensa turbo diesel (5,400 GBP)

Location **South East, Surrey**
<https://www.freeadsz.co.uk/x-199995-z>

You are bidding on an Autosleeper Pollensa Motorhome based on the popular Peugeot Boxer turbo diesel. It has covered only 17,544 miles from new with service history and is in super condition both inside and out. The motorhome had a full service including the replacement of the cambelt and rollers at 14,800 miles. The current MOT is until April next year and the road tax is until 31st October. This is a high quality motorhome from the hugely respected Autosleeper company and offers 4/5 berths, a full kitchen and bathroom with shower. It has obviously been cherished by its previous owners. Unusually for this type of motorhome is the underslung, fitted gas tank – removing the need to lug around the heavy awkward gas bottles and increasing the usability of the motorhome in the winter months. This also frees up the gas locker for useful additional outside storage. The motorhome is fitted with the optional extras of a 4.5m Fiamma awning, a Fiamma cycle rack and the rear ladder giving access to the roof rack.

The flexible layout has an overcab double bed with ladder access and curtains for privacy. This bed folds back when not in use to give additional headroom in the cab and additional light from the large Heki rooflight. Behind the drivers seat is a double dinette with removable table and 2 seatbelts on the front facing bench. There is a long bench seat behind the passenger seat. This lounge/dining area quickly converts into additional sleeping area giving a large full width bed for up to 3 children or 2 single beds. At the rear of the motorhome is an extremely well equipped kitchen and a corner bathroom. I can only emphasise the outstanding condition of the upholstery and fittings. There are no rips, tears, pulled threads or cigarette burns.

All of the above is cleverly fitted into a motorhome that measures only 19ft 4" or 5.8m in length.

The main features are :-
 - 4 berth motorhome
 - Fitted gas tank
 - 4.5m Fiamma awning
 - Fiamma cycle rack
 - Roof Rack & Ladder
 - Gas locker to cab doors
 Kitchen featuring :-
 Full size cooker with oven, grill and 4 burner hob
 3 way fridge freezer
 Sink with full drainer
 4 wall cupboards and 1 large cupboard with drawer above
