Very low mileage for an 08 Picasso, excellent condition runs/drives like new. one previous owner who hardly used it. it was bought for my wife back in April, but she gave up driving a few months later. the reg plate in the pic is a private one and has been took off(the original CA08--- is back on) the basket from the boot is missing, apart from that its a very nice, little used, low mileage car/van. £3000.
