2011 Ford Transit T300 125ps SWB low roof finished in factory Yellow and fitted with the 2.2 diesel engine and 6 speed gearbox that has done just 70,000 miles from new. Just off fleet with the AA, these vans are very well looked after during their lifetime never missing a service and maintained by the one driver. The van comes fitted with AirCon, electric windows and mirrors, full steel bulkhead, lifting tailgate, double passenger seat etc... A great van with plenty of life left in it. We are a family business established in 1978 and are extremely select in each and every van we offer... we dont sell bruised, battered high milers low mileage one owner damage free vans is what we are all about. See the live video of this van at Since 1978 we have been selling light commercials to our customers across the UK. On a daily basis we sell vans from our base in Glasgow to Inverness, London & Birmingham, Manchester, Leeds, Liverpool & Newcastle and closer to home in Edinburgh,
