exceptionally good condition having been in a warm, dry country for the last 8 years and used minimally, hence genuine low mileage. MOT until Feb 2016, engine and gearbox in excellent condition and full working order. Full leather interior with heated seats, fully working electric windows, factory fitted alarm and immobiliser, rear parking sensor, electric hook up for trailer, electric sunroof. Recent new fan belts, new tires and new steering pump belt. Very clean underneath, no visible rust underneath and only age related surface wear and tear. Also included is a fully working stereo system with optional cruise control on the vehicle. Original Mitsubishi manual
