The GSXR1000, launched in 2001 to a stunned community set the standard. The 2015 bike is every bit as amazing from the big piston forks to the Brembo Mono-block calipers. Whilst not for the inexperienced rider the GSXR1000 L5 is very easy to ride to your own potential, giving you confidence to explore your talent. The bike is new and unregistered with 0 miles, we are a fully approved 5 star Suzuki dealer so you can buy with confidence. The last chance to buy a pure superbike where you are in total control, as of 2016 all bikes will have ABS. This machine looks absolutely stunning in 'Pearl Mira Red and Metallic Matt Black' and is enhanced still further by the gorgeous Yoshimura R11 exhaust which comes with a removable baffle, looks and sounds amazing. As with all our bikes it will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £10495
