A great example of a Yamaha XT600X which has been well maintained and looked after by its former keeper. It comes with a lot of paperwork in reference to the bike. A Givi top box has been fitted, very useful for those commutes to work or for storing waterproofs in case rain comes. It also has hand guards which are a blessing on those cold days. The bike comes with all original keys and manuals as were supplied new. A great bike for commuting and something to have some fun on. Viewing is welcome any time and we guarantee you won't be disappointed. Give us a call for more info or pop in and view at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
