Here we have an immaculate Yamaha YZF R6. With so few miles on the clock, the bike is only just run in. Only one registered Keeper from new. This bike has Full Documented Service History and has had no expense spared in maintaining it. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. The bike is in untouched/standard condition, just as it came out the crate. Top spec engine protectors have been fitted just in case the worst should happen. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. Being Fitted with billet Adjustable Brake and Clutch levers enables the rider to set up the bike as they want it. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
