Here we have an immaculate GSXR 600. The bike is in untouched/standard condition, just as it came out the crate. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. The bike has also been fitted with a performance exhaust, this allows a little more of a growl upon acceleration and also allows the throttle to be a lot more responsive. Fitted with a double bubble screen for an extra bit of wind protection. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
