Here we have an immaculate example of the the Harley 1200 Sportster. Mint condition paint work with classic retro style that most people seem to be looking for in this sort of bike. Low seat hight and a slim bike make it a very easy to handle as slow speeds.A touring screen has been fitted to give you bit of wind relief.With so few miles on the clock, the bike is only just run in.The bike comes with a factory fit immobiliser/alarm, this stops a cloned key or screw driver being used to start the bike.A premium comfort seat has been fitted to this bike, those long ride outs just got better.The bike has been HPI checked and a Certificate will be presented with the bike.The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. Viewing is welcome any time and we guarantee you wonâ€™t be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know!
