Here we have an immaculate CBR 600 RR. The bike is in untouched/standard condition, just as it came out the crate. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. New tyres have been fitted to the bike so no need to change them for a while! This bike has Full Documented Service History and has had no expense spared in maintaining it. Fitted with a double bubble screen for an extra bit of wind protection. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
