Here we have a very good example of the Honda NT650V Deaville. The bike is in standard condition, just as it came out the crate. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. The bike comes with a set of lockable Hard Luggage, great for those trips away. A Top Box is also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. Also fitted with a centre stand to make washing and maintenance a whole lot easier. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has a few small stone chips but you really have to be looking for them to notice. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
