

2005 E53 BMW X5 3.0D Sport 6 speed auto.

Meticulously maintained and cared for from new, the car boasts:

Full BMW service history from new. All servicing has been carried out by BMW. The car is fully serviced up to date and requires no mechanical attention whatsoever! Last Service was an oil Service with Brake Fluid Change at 71385 miles in June.

Extensive media system including: TV, Rear headrest screens, front screen, satellite navigation, 6 disc cd changer, Blue tooth, 11 speaker surround sound, full iPod integration.

Outstanding bodywork. I am extremely fussy regarding the vehicles up keep and presentation and the bodywork has regularly been lavished with layers of Autoglym polish and wax helping to maintain a superb shine and ensure a protective layer resilient to the usual road dirt and grime. Inside is also regularly valeted, again with only Autoglym products.

Self Levelling Bi Xenon Headlights.

Full black leather interior featuring lumbar support and memory seats.

~~Paperwork and receipts, including all original handbooks and complete service documents.~~

For automatic sunroof, with in and blind.

For turbo diesel engine coupled with 5-speed automatic transmission.

The vehicle drives and looks
