Since this portable drive is USB bus-powered, no cumbersome AC adapter is required. There is also no software to configure on Windows 2000, Windows XP and Mac OS X because it's driver-free. With plug and play convenience, it's preformatted for immediate use on PC or Mac. Available with one FireWire port and one USB 2.0 port, LaCie's Mobile Hard Drive features fast transfer rates (up to 400 Mbits/s with Firewire; up to 480 Mbits/s with USB 2.0) so you can download data or back up important files in no time. Weighing just a little more than 7 ounces, this lightweight drive neatly fits in any travel, tote or computer bag, giving you the flexibility to work comfortably at home or away. It comes with a Firewire cable and USB cable. Product Description LaCie Mobile Hard Drive, Design by F.A. Porsche 80GB. 5400rpm rotational speed for fast access to data. USB 2.0 and FireWire interface for quick and easy bus powered connection. Made with a durable exterior to withstand life on the go, this portable drive lets you safely travel with up personal information, including MP3s, audio tracks and photos. With no driver or software installation required for Windows 2000, Windows XP and Mac users, this portable drive offers true plug-and-play convenience, and can be easily shared among Windows and Macintosh platform. Box Content : Hi-Speed USB cable, FireWire/IEEE 1394 6-to 6-pin certified cable, USB power sharing cable, LaCie Utilities CD-ROM If you are either positively charged with the design-styling pieces then then the LaCie Porsche Mobile Drive is certainly for you. Designed by FA Porsche, it is a polished can slab measuring 3in x 5in. Apart from the 0.5in 80Gb drive, the also includes a 40Gb and 60Gb FireWire version and all three models are 80GB in USB. Naturally is the LaCie FireWire model, the drive dimension proportions. It weighs just 200g, so it adds little weight to a portable setup. And if you're using it on the move, the four rubber feet on its base will stop it sliding around. An engraved LaCie logo and the all-important statement 'design by FA Porsche' grace the side of the drive. An orange light at the front glows reassuringly when the power is on and blinks red when in.
