INTER HOUSE WINDOWS Our company, is capable of providing services to both private and corporate, Architecture and Building Companies. All investors have been satisfied with product as well as maintenance services. You may find in our offer: Sash Windows, Casement Windows, French Doors Front Doors etc.

Our price guarantee product quality. To maintain the high quality of our products and meet your expectations we examine our product regularly at the Institute certifying our company. On request, in addition to the standard products contained in our offer we make individual orders and projects such as eg. trapezoidal, triangular, arched, round, type of patio and others. Inter House Windows recently released a new energy efficient window the Hi Profile Kombi, which has a U-value for the centre pane of 1.1 W/m²K and for the whole of the window of 1.5 W/m²K. This has been well received particularly for public sector housing refurbishments and in the new build sector. 10 YEAR GUARANTY, FENSA, GGF, Back Guaranty etc. Book an appointment right away! We will arrive on the agreed date and time to take all necessary measurements! You will get the Quotation the next day! Call us today 0208 4591 660 ! or visit our website www.inter-house.co.uk
