(PROPERTY EXCHANGE ONLY) Large two bedroom second floor flat (With Lift) in purpose built block. Home benefits from outside space (communal) and balcony (own use), central heating, double glazing, roadside parking. Nice clean new building, close to shops with bus stop right outside and excellent frequent bus service all day and evening. park directly opposite. large communal roof top garden (Communal) which is hardly ever used and a ground floor communal courtyard. Bike store on ground floor. Big rooms with balcony off the Lounge. There is a lift. It is safe and secure with electric gate to enter. A really nice clean and quiet block of flats and has some lovely communal spaces outside. I would like a property in or around Kemptown/Hove or Central London. I would prefer a property with permission to have pets and a garden but its not essential. No.
