

VW Scirocco TDI 140 Bluemotion DSG. This car is truly excellent and the engine runs perfectly as you would expect from a car with such low miles. The paintwork is in excellent condition.

- Full highline car computer giving full status on the car
- Full perfect leather interior with heated front seats and electric bolsters
- Integrated Sat nav stereo with bluetooth and dash instructions, and optional iPhone cables
- Lowered sport suspension
- DSG gearbox with sports and manual mode with steering wheel mounted flappy paddles
- HID headlights, LED sidelights and number plate lights for improved vision and safety
- Auto headlights
- Auto wipers
- Auto dimming rear view mirror
- Great tyre and brake disc and pad life all round
- Rear privacy glass

Installed in the car is the built in sat nav which integrates into the dashboard giving the directions straight in front of you, this saves looking across or having an unsightly sat nav stuck to the window!

The car will easily manage 60mpg and the gearbox makes driving a pleasure in comfort, sport or manual modes. The suspension absorbs 3 harshes, comes to a halt and still allows to differentiate the road feel for the type of road.

The car comes with a high top and full 4 wheel drive history and 100000. The car will come with a 12 month.
