About the Product Power folding Self charging LCD dashboard 4 cup holders Pathway and daytime running lights Everything you need to easily change your origami's color is in a Color Kit! Choose from five colors, all machine-washable. \$99.99 value for free!. Product Description The origami is the worlds first power folding stroller: at the touch of a button, it folds and unfolds itself. The generators in the rear wheels allow origami to charge your cellphone and power an LCD screen that communicates mileage walked and temperature outside. The origami has daytime running lights, pathway lights for low light conditions, and sensors that detect when a child's in the seat. From power folding to cell phone charging, its everything a stroller should be.
