Ready this weekend 2 beautiful pedigree long coat chihuahua girls both parents are kc registered but puppies won't be as I'm looking for loving pet home as they will be small as mum is 31/2 pound and dad 4lb If there was any such thing as a "teacup chihuahua" then these girls would be classed as such. If you are genuinely looking for a very small healthy chihuahua please come & have a look at this puppies without obligation they are wormed to date flea treated as a precaution and insured they will come to their new home with a blanket with mums scent to help them settle and food they have been weaned onto . At 6 weeks they had a full health check which they passed with flying colours the vet Also commented that they are exceptionally nice puppies the best she's seen in a long
