Here for sale I have my year 2000 polo, MK6N2 with smooth bumpers all round, 10 months MOT, LED fog lights, part service history gti interior and door cards. Wind deflectors alloys and on coil overs. De-wipered but have wiper motor and arm still, well looked after for age could use a little TLC but for a first car would be perfect £900 Ono Hastings area! Serviced just a month ago (major service) with gear box oil changed the same.
