Through constantly listening to our customers, 247 Security aims to provide excellent customer service coupled with the provision of quality driven security services. In today's cost driven society, the provision of security is seen as a costly outlay with very little return rather than the overall cost effective and efficient service that a well implemented security services can be. 247 Security aims to constantly work in partnership with our Customers to build and improve upon the service being provided whether it be on a consultancy basis right through to providing security on a manned guarding basis. 247 Security Services (UK) are fully accredited with ISO 9001:2008 for the provision of security guarding in compliance with the requirements of BS 7499, and screening and vetting in compliance with the requirements of BS
