Hi there :)

For sale I have 3 brochures from the photographic brands of Lowepro, Ilford and Manfrotto.

First is the Lowepro brochure from 2009/2010. Details all of their ranges of backpacks, rollers, slings etc, with little articles from professionals about which ones they use and why. Absolutely lovely condition apart from 2 items: 1) on one page, next to the backpack my partner wanted, he has in pen marked a star 2) on the very next page, on another he wanted, he has written in pen, 'discontinued' These are the only 2 faults I can find with it.

Next is Ilford, which is their price list, dated 4th January 2000. This details all their products (I imagine) including: general purpose films, premium direct, technical films, aerial films, motion picture films, surveillance films, Q plates and nuclear emulsions, general purpose papers, chemicals for B+W developers, B+W paper developers. Ilfochrome classic, Ilfochrome rapid, Ilfocolor, monochrome equipment, photo accessories, publications, safelight filters, digital imaging, square metre tables. (pew) This doesn't have a mark in it, looks fantastic.

Lastly, but by no means least, is the Manfrotto 'professional photo supports' guide 2004/2005. This details their kit, tripods, monopods etc, and is in fantastic condition again, no marks, dog ears or tears.

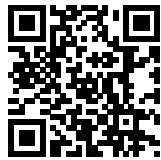

These 3 brochures/catalogues have clearly been looked after and are full of historic detail and info about the products, I'm certain someone will love them :)

Offers in the region of £12 for the 3. Collection from Dereham Can post at extra cost, this would be roughly £4 Thank.
