2006 Jeep Grand Cherokee 3.0 CRD MOT June 2016, 155k miles, full service history. Cruise Control, Dual Air-Con, Electric windows, Electric Folding Mirrors, Electric Heated Seats, CD Player, Remote Central Locking, PAS, Hands Free, On Board Computer, etc, etc. Utterly reliable. Always starts first time with no smoke, knocks or rattles. The 3 litre engine is very economical but has plenty of power when needed. Automatic gearbox is silky smooth and glides through the gears effortlessly. Good brakes (just had new pads as was an advisory on the MOT). Handles very well, drives like new. It has electric everything and every single button works. Can't think of anything bad to say about it. Have covered well over 10k miles in the last year (including towing our caravan to Wales and our boat to Bournemouth) and has never skipped a beat or had anything go wrong. Bodywork is very good (has a little bump on the front bumper where I hit a pheasant at speed). Interior very good apart from a little wear on the edge of drivers seat bolster. Private plate not included, will be on original 56 plate. The price is £3900 and not a penny less so please do make an offer. If youre interested, come and have a look and buy it but don't waste my time making offers. Will consider a cheap runaround in.
