2001 Renault Clio Alize DTI, 133k miles, MOT October 2016, 4 previous owners. Drives perfectly, utterly reliable turbo Diesel engine. Lots of history, thousands in invoices for the last few years alone, has been maintained with no expense spared and has all mots and black folder with books which come with car including service book. ABS, Air-Con, Air Bags, CD Player, Electric Windows, PAS, Sunroof, Remote Central Locking (not working, could just be fob batteries). Bodywork is excellent apart from a small scrape on the side, nothing to write home about. It really does drive like a brand new car. Perfect first car or cheap runaround. &#pound;
