ONE YEARS MOT, JUST BEEN SERVICED. NEW CLUTCH AND NEW BRAKES. I'm reluctantly selling my lovely mini, it's been an absolute pleasure to own and has never let me down. I've recently had the mounts replaced so it doesn't make the whining noise that so many minis do. Body work is very clean and inside is in an excellent condition. This car has been kept in a garage since I brought it, roof in in excellent condition. It's really is a lovely car & I'll be sad to see it go, if I didn't need a bigger car for work I would keep it. full service history. Any questions feel free to ring and ask me. Thanks for looking,.
