Northern Ireland, County Londonderry

<https://www.freeadsz.co.uk/x-201908-z>

AUTO DIAGNOSTIC SPECIALIST -BMW-Audi-VW-Mercedes Any problems-Electrical-Mechanical
MERCEDES-DAIMLER&CHRYSLER TRAINING TECHNICIAN We use the latest dealers level engine
fault diagnostics machine. As it is a portable machine, we can identify the cause of the problems as they
occur during test drives. It produces a report that enables the technicians to rectify faults and tune the
engine for optimum performance and economy. Bavarian Cars-Specialist All systems and functions cured
