The Smart Stages 3-in-1 Rocker Swing is 3 products in 1. It is a full-size open-top swing, an infant seat and a toddler rocker. It has 2 speeds and 5 songs to soothe and entertain. The seat easily removes so you can take baby around the house in the infant seat. As baby grows, the swing frame folds and stores away so you can use it as a toddler rocker (with children up to 40 lbs.) The swing also has easy-release seat handles, a kickstand which locks out for feeding in infant seat stage, convenient open top on swing for easy access, and restraint for baby's safety. Suitable from birth used but in good working
