Cherished Ford Fiesta 'FLIGHT'...starts first time. MOT, FULL SERVICE HISTORY A well looked after car with a complete and full documented service history from new, the last one being just recently in September of this year. 4 door, 1.3 Petrol engine, runs very well. Average mileage, covering 10, 000 miles per year, for 13 years, now totaling exactly 130, 000. Dives nicely, with no visible exhaust emission. Has a very clean interior, with hardly any signs of wear. A well loved car with a nice warm heater for the winter! MOT until February 2016. 2 original ignition keys 2 original locking fuel cap keys. V5 Log book in my name There is a bit of rust here and there and previous rust has been dealt with by a garage, with the receipts to show this. Elevating Sunroof CD Radio, all working Great Alloy Wheels The car has scratches touch ups and bumps, but it also has 5 good tyres, a solid engine with clear clean oil, good gearbox, clutch and sound Ford exhaust. Seats/upholstery all in very good condition except for a cloth door lining is not well fitted and is taped on, and the indicator has to be cancelled manually. Economical car with low tax and insurance groups. Cash on collection. Sold as seen. Viewing available most times, best to give me a ring, emails okay, but may take longer.;
