Ever wondered why you are here, what life is all about and why you are facing challenges? For one evening a week, you can join a small group of students embarking on their inner quest for knowledge. Learn about the Human Energy System, the Chakras, Meridians, Universal Energy and so much more. Learn how to develop your senses through practical psychic exercises and possibly progress to develop your link with the Spirit world. Christine is an accredited medium with the Spiritualists' National Union, an International Spirit Artist and tutor. Read what other students have to say on her testimonial page: www.christineparkin.com. Groups are lively, interactive and informative with well presented handouts for you to build your own reference folder. We also have some superb power point presentations!
