iPhone 5 16GB Black/Slate (02) This phone is in very good condition apart from one very minor nick in the two top corners They are so small that even my DSLR camera found it hard to picture them! Other than that the phone is in excellent condition! This phone is locked to 02 but I believe it's quite easy to unlock. The phone comes boxed with all manuals, original headphones, original charger and the handset of coarse! I will even include a free clear case.

Collection from Bedford or I'll post for £4.99 Feel free to ask any questions Thank you for looking;
