

# Pedigree Chihuahua Puppy Girl (700 GBP)

Location

**East of England, Suffolk**<https://www.freeadsz.co.uk/x-202331-z>

Adorable little white & black baby girl, with beautiful markings... a true to type purebred Longcoat Chihuahua. Many photos you see in the classifieds, don't even look like a Chihuahua should... you've seen the rest, now meet the best!

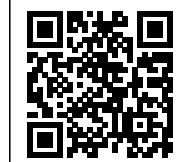

Available to reserve NOW, and ready to home from approx. 22nd November. Both sweet natured pedigree parents are here to meet.

Priced at £700, and I supply approx. 1 months puppy food she is used to, a scent blanket, food/water bowls, diet/advice/info booklet, teething chews, and life-time after care support if ever needed, as I have been a hobby breeder of much loved, happy, healthy, quality babies for 28 years, so I have a wealth of experience. She will also come with a 5 gen. pedigree, and 12 weeks pet health insurance for your peace of mind.

UK bred, and being lovingly raised in our clean, smoke free home ~ ANY inspection is welcome.

**BUYERS BEWARE:** Before you purchase any puppy, Google search 'imported puppies' (many illegally), as the classifieds are being flooded with poorly bred babies, often transported and bred in horrendous conditions, mostly from eastern European countries, taking advantage of the pet passport loophole. If you cannot meet the parents, or at least mum ~ walk away! PLEASE DO NOT perpetuate this awful business.

Please message me for further information, and INCLUDE YOUR EMAIL ADDRESS, as I do not give out any information to anonymous enquirers. Thank.
