Material: REAL BEAVER LAMB Condition: Very good condition. Minor wear as you would expect in a pair of preowned. Please bear in mind that you may prefer cleaning before use, however as mentioned we were very impressed with the condition. The fur is glossy, soft with no shedding. One of the finest we have sold to date of its kind.
Absolutely magnificent real beaver lamb fur coat with warm golden tones. The fur is full and luxurious as well as having incredibly soft, warm feel. This coat is bang on trend as many have been seen sporting the "teddy bear" look. It goes without saying that you will turn heads in this!
