

Ford Ka Climate Style 2006 (1,600 GBP)

Location **South West, Somerset**
<https://www.freeadsz.co.uk/x-202758-z>

My wife has owned this car and it has been excellent. Local car. Utterly reliable and maintained thoroughly. Documented service history and complete MOT history. This car has electric mirrors, electric heated windscreen, remote boot open, reversing sensors. HiD headlights which are great at night and air conditioning. New MOT and service last week. Two new tyres. Fantastic condition throughout £1600 or nearest offer. Drives faultless. Genuine reason for.
