CWC360 is a family run contract cleaning specialist company with over three generations of cleaning know-how.

At CWC360 we understand cleaning. We understand that at point of service delivery, the client requires a trained, adept and capable staff member.

We also understand the secret to successful cleaning is the correct mix of excellent man-management, technical know-how, technology and a hint of science, which combined correctly, will improve the clients asset and budget.

The abilities above can be applied to any given cleaning situation to ensure clean workplaces.

We are based in Cheshire situated near to all major commuting networks allowing us easy access to clients and contracts based nationwide.

We concentrate on sustainable growth through our employees, being our most valuable asset, and retaining and growing our client base through reputation.

We are a people driven company and being family run this is a significant factor in our Company's approach to.
