2004 RENAULT ESPACE AUTHENTIQUE 1.9 DCI BLUE

This 2 owner popular 7 seater diesel has had much money spent on it in the last couple of years and has been running fine up until it developed a fueling fault. The engine runs lumpy. The garage indicated it may be an injector fault but the owner had too many financial commitments to be able to spend any further money on the car. Apart from one mirror being damaged, the car is tidy all round with no rips or tears to the interior. 4 good tyres and fitted tow bar. Please phone to arrange to inspect, or if you have any questions: 01254 697575.;
