Reluctantly selling my little blue mini one which I have owned for six years. Mileage is 93150 and has been used as a wee run around for the town due to its excellent fuel economy. Its passed it MOT on the 6th November 2015. The mot certficate displays one advisory concerning and oil leak but this was later found to be spillage during an oil change. Previous and current MOT certificates will be provided.

Recent work includes new tyres, brakes, clutch, hand brake cable, exhaust and bracket, brake pad sensors, rear suspension arms rear bushes replaced, rear brake callipers, antifreeze renewed and air filter.

This a ten year old car and looking to just to move it on so only asking Market value.

This car only comes with one key which does require a new battery or re-programmed but car can still be locked.

Interior has been upgraded with plastic chrome and rear windows tinted to give this car a little class.

This car has a working opening sunroof with no leaks.

Car will come fully valeted and polished. Full V5C for exchange.

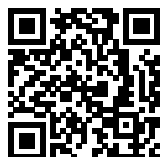

This car is located in Oban, Scotland so buyer will be responsible for collection/shipping but can be arranged at buyers expense.

More Photos on request.;
