Mini Clubman estate in Pepper White, just serviced with full service book and BMW history including all receipts. New MOT last week. This model has the expensive roof rails so you can fit roof bars if required. It really is super economical too with in excess of 435 miles for £30 of fuel..virtually no road tax too and cheap to insure. 6 speed gearbox. parking assist, new wipers, nice interior. 74.000 miles 2010 year of registration. Always been looked after since new and driven sensibly. Drives superb with very quite diesel engine. Unlike the saloon, it can also seat four adults without being too cramped. A few age related marks here and there. Serviced just three weeks ago. Priced to sell - it's easily the cheapest on the market in terms of age and miles covered - no offers please. Any inspection welcome. Located in NR2 Norwich. please note that during the week I am working near the North Norfolk coast - so telephone reception is a bit hit and miss - so keep trying. Always available during the weekend and.
