Lovely solid pine wooden wine bottle storage rack which has been upcycled by being carefully hand painted i Farrow & Balls Parma Grey(a gorgeous soft grey/bule) the gently rubbed back to reveal some of the original pine underneath. It measures 14.25" across x 5.5" deep x 10.75" high.It can hold up to 9 bottles yet is nice and compact taking up minimal room on your worktop or country dresser.I also have a matching kitchen(or toilet) roll holder sold separately if you would like a matching set.Take a look at my other items.
