Apple iPad 4th generation with Retina Display. Black. 16gb. Wifi only.

Comes with official grey Apple Smart Cover that was only on the iPad for about 2 weeks. Worth approximately £40.

Also comes in original box, complete with original charger and cable (the cable is in excellent condition with no sign of 'necking')

The iPad is in excellent condition and is a great gift for somebody this Christmas. A few minor marks on the back (these are very small and hardly noticeable) and a small circle around the Apple logo as shown. This is due to it being in a case for a long time that had a hole where the logo is. There is a small dent in the bottom corner (shown in pictures) from where it was dropped once. This is the only time it has ever been dropped and it has not affected the operation what-so.
