 STUNNING RETRO 1960's Stag DRESSING TABLE
 Purchased by my parents for their "new home" 1961/2
 Designed by John and Sylvia Reid for Stag, from the fine line range, this stunning range was height of chic in its day and right back on trend now.
 Built on a slight angle - fits well in a corner.
 Size approx : HT to top of table-71 cm, to top of mirrors 118 cm . D-46 cm W- 120 cm Could be used as (originally) dressing table or by removing mirrors a small desk Solid wood, with a striated birch finish.
 Smart brushed steel look handles and legs.
 2 sets of 3 drawers -each side of central console.
 White Formica(?) centre panel with glass shelf- unusually, both are in excellent order
 There is some minor fading to edge top surface and a few knocks/minor scratches(see photos) in keeping with its age. A really attractive, solid.
