

5 Week Beginner039s Photography Course, Solihull - January 2016

Courses

Location

West Midlands, West Midlands

<https://www.freeadsz.co.uk/x-212845-z>

Join Alan Ranger in this beginner's course where you can learn the art of photography! Absorb new skills and techniques as Alan Ranger guides you through the process of taking photographs you can be proud of. You'll learn all about the following: The exposure triangle (ISO, Aperture, Shutter Speed) Metering and focusing Dynamic range & light Final image formats White balance and colour profiles Filters, bracketing and tricky lighting Composition and shot design Tripods and other gear Basic image processing Even if you're an intermediate level photographer looking to refresh your core skills, you're more than welcome to enjoy the tuition Alan Ranger offers! Courses are held in Solihull, Kenilworth and Coventry and run for 5 evenings over consecutive weeks. Each lesson is 3 hours long, the course giving a total of 15 hours tuition. Read more about them on the website.

If you can't make this particular photography course, Alan Ranger Photography runs other courses and workshops throughout the year as well as online photography tuition and 1-2-1 mentoring!
