

Vauxhall Vivaro 2006 (2,200 GBP)

Location

East of England, Cambridgeshire

It is an ex-BT (Open Reach) van so has full service history and receipts for work that has been done in the past.

It has only had 2 previous owners which are myself and Open Reach. There is some wear and tear but nothing major and does not effect use.

There is a small chip in the windscreen and has a slight oil leak - but this is reflected in the price. MOT is due in April 2016 - has had a new front tyre recently. I am selling my van due to needing a bigger one.

The van will be cleaned before buyer collects. Any questions or if further details are needed please message me. Cash on
