New, sealed, HP Digital Headset model number XA490AA#ABB £20 on Amazon (reduced price) Listen to music, play games, and carry on conversations for hours with the HP Premium Digital Headsets designed for comfort, ease of use and a new dimension in sound. Autoswap lets you set the microphone position to suit you better either on your left or right ear The over-the-head design features a headband that is padded and adjustable for extra comfort and a secure fit The microphone cancels out ambient noise Features Autoswap lets you set the microphone position to suit you better either on your left or right ear; then sit back, relax and enjoy studio-quality sound in comfort. The over-the-head design features a headband that is padded and adjustable for extra comfort and a secure fit. Large, plush leather ear pads reduce pressure points and let you wear them comfortably for long VOIP and gaming sessions. The rotating, adjustable microphone flips out of the way when you are listening to music, and cancels out ambient noise - delivering frequency response between 100 Hz and 10 kHz - when you are speaking. Listen to music and carry on conversations for hours through the large 40 mm drivers that deliver superior-quality clarity. With sidetoning, you can hear what you are saying through your own headset. What's in the box HP Premium Digital Headsets
