Vintage Merlin Gold coloured Pen/propelling pencil set - Made in USA !, Age uncertain as this came from a house clearance of an elderly relative but it is obviously pretty old. Pen works (black - probably medium). Pencil still has some lead. The top of the pencil is detachable and reveals a rubber (still works) and pencil lead carrier (empty). the case has some pitting/and marking on outside (this is an old metal case which is a bit like a spectacle case and has some exterior marks due to age. Original Merlin paper Label inside says : MERLIN PEN AND PENCIL SET The pencil in this set is operated by turning the thread at the bottom. Unscrew the centre to reveal spare leads and rubber in the cap. (Made in USA),, £9,
