

PEUGEOT 806 GLX, RED, 2000 (550 GBP)

Location London, London https://www.freeadsz.co.uk/x-213320-z

i'm selling my 806 which comes with mot till August 2016. It's got a couple of small dents as in pictures and general body work for age, inside is in good condition. Drives nice and smooth and gear box is good. Mileage is low for year. Starts first time and has never let me down. Good solid car underneath, battery still under.
