Independent Support Providers For users who are residing in United Kingdom and using BT Yahoo services The yahoo helpline number is not the only option using which you can contact yahoo tech support team. You can also write a mail to the For all of this (whatever the above actually means..??) the contact no. is that very same 'UK Freephone' 0800 098 8906.... Make of that what you will - but, it doesn't seem kosher..
