My name is Nigel and I have taught electric/acoustic guitar and bass guitar for over 25 years. I offer friendly, patient and enthusiastic tuition to all ages. I have taught hundreds of people the guitar and some now play in professional bands. Over the years I have developed a method to teach pupils how to play the guitar in a very short space of time. If you are a complete beginner I will be able to teach you something within a few weeks that will sound great not only to you but for the people who listen to your playing. Styles taught include Rock/Blues/Funk/Soul/Indie etc. Tutoring Experience: Over 25 years teaching experience. I am a working musician and have worked as a session musician playing guitar with many years of gigging experience. I am also a member of RGT the Registry of guitar teachers. Tutoring Approach: Friendly, enthusiastic and patient tutor. £30.00 for a one hour lesson Qualifications: 2010: City & Guilds Qualified - WEA (College) [WWW.SURREYGUITARTUTOR.CO](http://WWW.SURREYGUITARTUTOR.CO)
